

Academic Profile of Faculty Member

Name: Mrs Gunjan Arya

Designation: Assistant Professor & Head

Specialization: Structural Geology

Qualification: M.Sc. , U-Set, Pursuing Ph.D.

Email id: arya.gunjan80@gmail.com

Contact No.: 8394866745

Joining Date: 1.03.2019

Awards/ Recognitions: N.A.

Teaching Experience: N.A.

Professional Experience:

- Worked as Research Assistant (R.A.) in a UCOST research project “Pressure-Temperature-Fluid evolution of Crystalline rocks of Munsiri Formation and Vaikrita Group in Main Central Thrust Zone, Kumaun Himalaya.

Field Experience:

- Geological field training in and around Malanjhand copper mine at HCL (Hindustan Copper Limited) Malanjhand Copper Project, Balaghat distt. M.P. (2011).
- General study of rock types, structural set-up and degree of deformation and preparation of geological mapping, structural mapping and field training in Kishangarh area, Rajasthan, India. (2010).

Conferences:

- Participated in the importance of Science and Technology in Geo-Environmental Sciences of Uttarakhand held at H.N.B. Garhwal University Uttarakhand on May 30-31, 2019.
- Paper presentation on some structural aspects of Nainital-Kilbury section, Outer Lesser Himalaya, Uttarakhand India International conference of Magmatism, Tectonism and Mineralization (MTM) organized by Department of Geology, Centre of Advance Study, Kumaun University, Nainital, Uttarakhand, India. March 27-29, 2014.
- Participated in the 100 th Indian Science Congress held at Calcutta University, Kolkata, West Bengal. January 3-7, 2013.
- Poster presentation on Deformation Pattern and Structural evolution of Nainital-Kilbury Section Outer Lesser Himalaya (Uttarakhand) in the conference RDS-II under the aegis of Structural Geology and Tectonics Studies Group- India (SGTSGI) held at Lucknow, Uttar Pradesh from October 1-3, 2012.
- Oral presentation on Preliminary petrographic studies of gneisses around Babina area Bundelkhand craton, UttarPradesh, India, National Conference on Geology, Biodiversity & Natural Resources of Himalaya and their intellectual property law held at Department of Geology, L.S.M. Government. P.G. College, Pithoragarh, Uttarakhand. October 14-15, 2012.

Thankyou
